Complaints Procedure

- 3.3 The Head of Quality will assign complaints to the relevant manager to investigate the complaint. This will usually be the manager responsible for the service that is the subject of the complaint. An independent manager/Head of School may be asked to conduct the investigation if appropriate.
- 3.4 Feedback will contact the complainant to tell them who is investigating their complaint.
- 3.5 The Investigating Manager will contact the complainant to check that they have all relevant information, to ask any questions or to seek clarification, as appropriate.
- 3.6 In the case of complaints about teaching and learning quality the Investigating Manager will carry out an observation of the class or tutorial concerned.
- 3.7 The Investigating Manager will evaluate all relevant information and provide a report with recommendations to Feedback and the Head of Quality. In the case of a complaint about teaching and learning quality, the Investigating Manager will complete an Observation of Teaching, Learning and Assessment and, within the associated report, will clearly state whether there is evidence to uphold the complaint or not or whether further investigation is required.
- 3.8 The Investigating Manager will ensure that their recommendations are made in a timely manner so that the complainant will receive an outcome within 20 working days. If, in exceptional circumstances, the Investigating Manager becomes aware of a reason why the investigation cannot be concluded within working 20 days they will notify Feedback immediately. The Feedback Team, in liaison with the Investigating Manager, will make the decision as to whether the response period will be extended. If the decision is made to extend the response period Feedback will notify the complainant and inform them of the date that they will receive an outcome.
- 3.9 The Head of Quality will review the Investigation Manager's recommendation as to whether the complaint should be upheld, partially upheld or not upheld and confirm the outcome. The Feedback Team will consider how the learner feedback and information provided can inform improvements to College services.
- 3.10 A complaint made about a manager will be investigated by their manager and will follow the same timescale and process as other complaints.
- 3.11 A complaint made about the Principal will be investigated by a governor nominated by the Chair of the Governing Body and will follow the same process and timescales as other complaints.
- 3.12 Feedback will notify the complainant of the outcome of their complaint within 20 working days of the receipt of the complaint.**
