## Patricia, New Directions – Restart your Career/ Employability

"I moved to the UK in January 2023 with 15 years of experience but struggled to find a job. I came across RHACC's "New Directions Re-starting my Career" course in July and learned to improve my CV and interview skills.

The career advisors were amazing! With all the knowledge gained, I landed my first job as a Legal Secretary in August. I can't thank the career advisors enough."

Jason, GCSE English

"I was very unsure about restarting my education, but so glad I did once I started at RHACC. I started a basic English course in 2017 and now in 2023, I have progressed to GCSE English. Coming to RHACC allowed me to refine my passion for poetry and gain key skills. I have also made friends and has helped me with my mental health issues. I would highly recommend RHACC to anyone interested in furthering their education, no matter where you are in life."

We also do IELTS courses if you need an English qualification to get into university. Our courses start from Pre-intermediate level all the way up to Proficiency.

## How long are the courses?

Courses run for three terms per year, 10–13 weeks per term, so you can join a class when it suits you and progress up the levels at your own pace. You can also join our short courses which run for five to six weeks.

## Where are the courses held?

Courses are held at our main centres in Parkshot and Hillcroft and also at a range of community venues in and around Richmond. We also offer courses online.

## Outreach ESOL

We offer ESOL courses in various locations in and near Richmond for learners who are unable to access classes in college.

We are continuing to add more centres to our Outreach provision through the year, so please keep checking the website.

Current Outreach Centres include:

- Teddington Children's Centre
- Whitton Community Centre
- Castlenau Community Centre
- Kew Gardens

## HOW DO I ENROL?

If you are interested in an ESOL or EFL course, you will need to book an ESOL Information, Advice and Guidance session. You will be assessed and interviewed, so that we can help you decide the right course for you.

Cheryl, ESOL

"I came to RHACC after the pandemic in May 2021 looking for somewhere to learn English effectively. This gave me the opportunity to explore different areas for my professional development and at the same time meet multicultural people. The course helped me to improve my English, to feel more confident when communicating. What stands out about RHACC is the human quality of kindness, efficiency and above all support from its staff and teachers. I will continue studying at RHACC to continue my professional growth, and take a new direction to change my career."

# MOSAIC COURSES

Our programme of mosaic courses celebrate the famous 'Lambeth Mosaics', inspired by the 18th century artist and poet, William Blake. After being restored at our Hillcroft Campus, the Lambeth Mosaics are now on display in Surbiton station.

## Janet, Advanced Ceramics

"I was searching for an advanced ceramics course that would fit into my work schedule, ideally a day a week. The Advanced Ceramics course was exactly what I was looking for. It has helped me to adopt a more methodical approach to my creative process, resulting in more purposeful designs and better outcomes. Along with the educational benefits, I have also developed some great friendships with my classmates and was honoured to receive the Learner Contribution award at the Adult Learner Awards 23. I am grateful to RHACC for this opportunity."

# SPECIALIST FACILITIES

Art School learners benefit from a range of specialist equipment and purpose-built facilities including a glaze room, jewellery studio, ceramic studio with pottery wheels, Columbian Press printmaker and laser cut machine.

Lucy, Mark & Sally, Drawing from Scratch

"We are three adult learners who started the Drawing from Scratch course together in November 2022. We are all around retirement age and have a bit more time on our hands. We were all novices and the course seemed an ideal way to dip a toe in the water. We have all enjoyed it so much we have kept coming back for more! RHACC is easy to get to and provides a warm, welcoming environment in which to learn. The course is informal and light touch, and has really helped us to develop skills in drawing beyond anything we had dared to imagine. Drawing is now part of our lives and we will continue to develop our skills, hopefully at RHACC!"

Courses marked with a  are FREE for eligible learners.  
Courses marked with  offer 50% discount for eligible learners.

## Anabel, Photography

"I've always enjoyed taking photographs but when I got a new camera I realised I didn't really understand all the features that my camera had to offer. My daughter, who works for RHACC, suggested a course at Hillcroft 'Photography for Beginners'. With this campus being local to me, I joined the course in February and I have already learnt so much! The lessons are always interesting and interactive, and the time flies! I definitely don't want to stop now, and will be looking for my next course at RHACC to expand my photographic skills!"

Eleanor, Creative Writing

“RHACC has a broad range of quality courses on offer and I have certainly enrolled on quite a few over the past years. From piano lessons and garden design to French and English lessons. Anna, my English tutor especially, has helped me organise my ideas and to become a more confident writer. As a result I have found a new spark for writing and reading!”
